THE KEULAVATOR™

FRAME

SWEEPS

DISC HILLERS

SPIDER GANGS

WOW PRICE

3-Pt Keulavator™ Frame, Cat. 1 #51946* **$279.99**

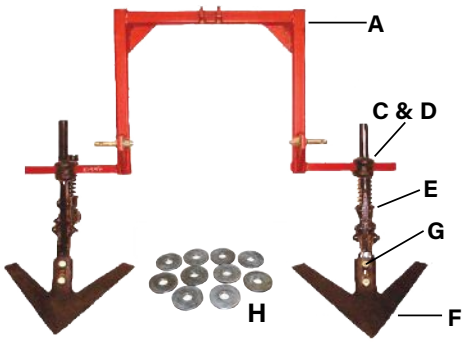

- 1⅜" diameter x 15⅜" long toolbars
- Accepts IHC-style wedge clamp & bolt
- Clamp assemblies can easily be adjusted for a min row width of 31" to a max row width 52"
- A 3-pt tractor attachment that can be customized to shape, ridge, bed & cultivate your garden.
- Accessories sold separately

Additional $12.00 out-of-box fee will be added to shipping charge

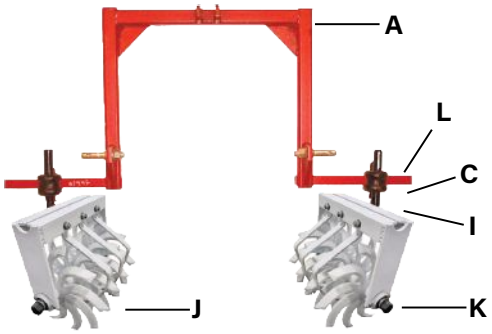

SIMPLE IN DESIGN, COMPLEX IN CAPABILITIES: THAT'S WHAT THE KEULAVATOR DELIVERS.

Agri Supply is proud to be a developer and sole retailer for this specialty product. It's perfect for:
Bedding, cultivating, ridging, & shaping your rows... in your garden or on your farm.

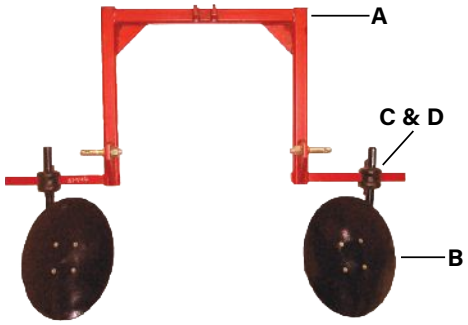

Sweep Attachments
This heat treated row sweep will help you control weeds in your center rows. It has a 16 inch width and is 1/4" thick. This tillage sweep has a 54° stem angle and has been heat treated for added strength and durability.

Spider Gang Attachments
Till in weeds and protect your crops from being choked out. Loosen the soil, turn under weeds, and promote water infiltration. Each assembly includes four 14½" spiders and 3 scrapers to cut weeds and break up dirt clods.

Disc Hiller Attachments
An easy & economical way for hilling in prepared soil. They can be used in place of plows to make up rows, and work even better, because plows can get stuck & kick dirt up covering your plants where hillers will roll over objects & not get hung up.

Components of the Keulavator™ - *Sold Separately*

Keulavator™ Rear Shank Kit

#123027 $129.99

- Sweep out the row middles while bedding or cultivating all in one pass
- Comes with everything needed including bolts to attach your choice of row sweep to the toolbar
- Previous customers prefer 15355 - 16" Cultivator Sweep (2 needed per Kit)
- If you already have Cultivator Sweeps, those will work fine
- Easily adjustable to accommodate your mounting need in angle or height
- Made to fit Keulavator™ (ASC #51946) and any square cultivator toolbar that is 1⅜" in diameter

**Frame and Cultivator Sweeps Not Included*

KEULAVATOR™ ACCESSORIES

Disc Hillers

An easy & economical way for hilling in prepared soil. They can be used in place of plows to make up rows, and work even better, because plows can get stuck & kick dirt up covering your plants where hillers will roll over objects & not get hung up. Adjustable with 16" & 22" shanks and the blades come in 12", 14" & 16" diameter.

Cultivator Row Crop Sweep
#15355 $29.99 each
- 16" x 1/4", 54" Stem
- Fits Cultivator Shank

Wedge Bolt with Nut
#107357 $10.49

- Secure your wedge clamp with this wedge bolt. The wedge clamp holds your shanks in place allowing you to disc your crops or to create raised beds. The wedge bolt fits most old style IHC cultivators and the Keulavator.
- Fits IHC

Cultivator Wedge Clamp
#109931 $29.99
- Secure your cultivator shank to your tool bar.
- Fits IHC
- Fits a 1⅜" bar
- 5" L x 3" W

Cultivator Shank #38854A $69.99
- Made to fit International Harvester.
- Fits Farmall International 100, 130, 140, Cub & Super A models.
- 20" Height
- 1³⁄₁₆" Rod Shaft
- 5½" Spring
- 1⅝" Spring Dia
- Fits IHC

Lay Off Clamp & Wedge Assembly

#82406 $33.99
- Made to fit International Harvester planters, fertilizer units, & cultivators.
- Includes two screws to secure shank.
- Steel construction
- Fits a diamond shaped 1⅜" bar
- Bolts and nuts included

Fits the following IH implements:
Cultivators: 144, 201, 244, 252, 254, 254A, 452, 647, and 652
Planters: 173A, 174A, 184, 185, 186, 188, 284
Fertilizer Units: 214, 216, 217, 417, 426, 617: A, B, BN, C, Cub,
Super A, Super C
Replaces 29601BA, 29601 BA

Cultivator Shank
#83749 $30.99
- Cultivator shank ribbed with bracket & bolts
- For rolling cultivator assembly
- Use with #60878

Wedge Clamp w/ Set Screws
#60878 $25.99
- International style wedge clamp
- Fits a 1⅜" bar
- Two set screws included
- Use with #83749

"Center Hole" Key

Center Hole
Measure the width of the disc axle.

Diameter
Lay blade flat with the cutting edges up. The distance from the outside edge to the outside edge is the diameter.

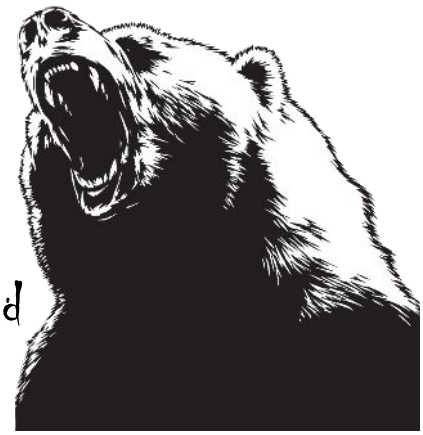

Concavity
Refers to the depth of the curvature of the blade. Lay the blade on a flat surface with the cutting edges down. Measure through the center hole from the flat surface to the inside edge of the blade center.

Thickness
Refers to the thickness of the metal at the axle hole. This can be referenced in millimeters (mm) or in gauge (inches).

Moldboard Plows

Also known as a turning plow, due to the turning and rotating of the soil. When bringing fresh soil to the surface, it also buries old crop residue to enable healthy decomposition. Features a 3 point category 1 hitch with lift pins and may be used with a tractor that has a horsepower of 18 - 50.
*Ships Via Motor Freight

- Specifications
- Moldboard blade: 14"
- Steel bar frame: 1" x 4"
- Tractor HP compatibility: 18 - 50 HP
- 3 point category 1 hitch with lift pins
- Paint finish: Powder coated

Rotary Tiller, Gear Driven

Use this 3-point rotary tiller to help you prepare your soils for planting. This unit comes standard with a heavy duty cast iron gear box, PTO shaft, slip clutch, Category 1 hitch, and a parking stand.

A variety of working widths to fit your needs!

**Ships via motor freight only*

CUSTOMER REVIEW

HM FROM GA WROTE ABOUT: 72" TILLER

"I purchased this tiller to do food plots in our hunting club. Have used it several years now and have put it in some pretty bad places from briars 5ft high to hard Georgia red clay. The tiller has performed flawlessly."

Caroni Rotary Tiller, Chain Driven

These are relatively light machines which, despite the fact they do not require a great deal of power, are mechanically tough as a result of the high quality materials used in their making. The FL series of light rotary tillers, which can be attached to small and medium-sized tractors with 15 to 40 HP, is ideal for use in orchards, vineyards and market gardens.

- Rated for tractors up to 100 HP (90 HP @ the PTO)
- Safely connect/disconnects your PTO in seconds
- Made for 6-spline 540 RPM rear PTO ONLY
- Adds approximately 5" in length to the overall PTO driveline
- Can be used with your Bobcat, John Deere, Kubota, Kioti, New Holand, Mahindra, Massey Ferguson, and all other tractors rated up to 100* HP

Compliant with ASABE Standards

NEW!

PTO Link™ Compact System (SOLD SEPARATELY)
Female Plate Tractor End
#127012 $169.99
Male Implement End
#127014 $169.99

- Works with rear 6 spline 540 RPM PTO for tractors up to 40HP
- AISI 4140 hardened alloy steel with QPQ finish
- **NOTICE** for Kubota BX tractors ONLY! Learn more online or give us a call at 1-800-345-0169.

NEW!

PTO Link™ HD System
(SOLD SEPARATELY)
Female Plate Tractor End
#127018 $219.99
Male Implement End
#127019 $219.99

- Works with rear 6-spline 540 RPM PTO for tractors 35 HP up to 130 HP
- AISI 4140 hardened alloy steel with QPQ finish
- Simple one-step installation for each plate & easy removal.
- No special tools or extra installation hardware required
- Adds approx. 5 in. to the overall length of the driveline.
- The PTO Link™ is NOT an adapter.

Self-Priming Roller Pump

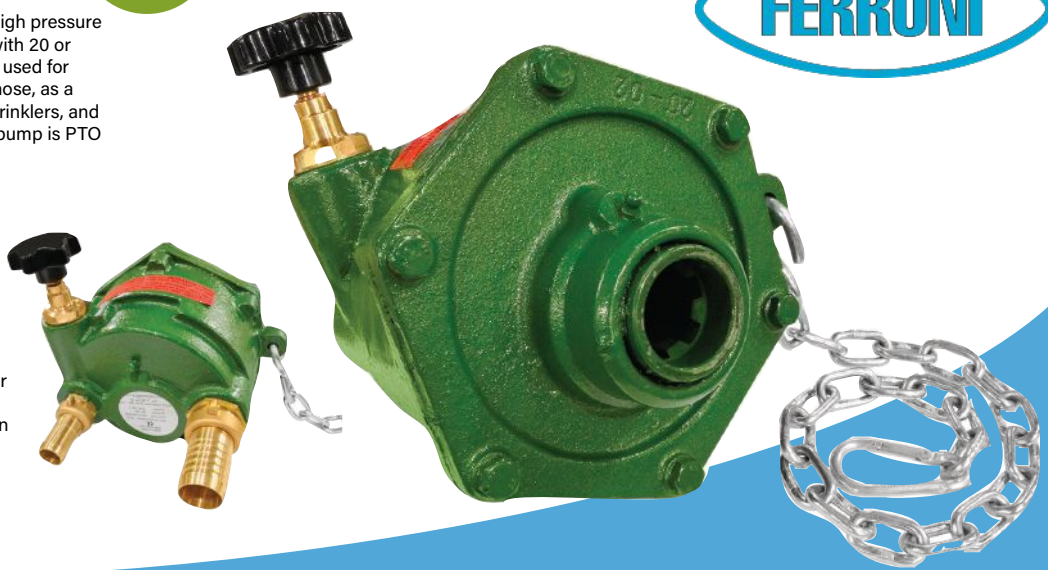

#12242 $229.99

Ferroni MLI-25 roller pump, is a high volume, high pressure pump used mostly for spraying, weed killing (with 20 or more nozzles on a bar), and washing. It can be used for non-corrosive liquid transfer with unattached hose, as a small acreage irrigation unit with or without sprinklers, and it can be used even on hilly ground. The roller pump is PTO driven.

- Ferroni Brand
- Model MLI-25
- 1" inlet, ¾" outlet
- Maxium Delivery: 48 GPM
- Maximum Pressure: 365 PSI
- Maximum Head: 820 ft.
- Maximum Self Priming Distance: 20 ft.
- Maximum Revolutions Per Minute: 600
- Clockwise Rotation
- Fits 540 Spline PTO shaft, built-in 540 coupler
- Measurements: 8.66" L x 7.48" W x 9.85" H
- This pump cannot be used for liquid nitrogen or liquid fertilizer.

Repair Kit for this pump **#27324 $64.99**

ACE Hydraulic Centrifugal Sprayer Pump

#33759 $894.99

The ACE hydraulic motor driven centrifugal pump is an ideal sprayer pump because it has mounting versatility and does not tie up your PTO or engine drive shaft. This sprayer pump requires a minimum of 7 GPM hydraulic input. It has a 1-1/2 in. suction and a 1-1/4 in. discharge. The pump is constructed to be corrosion resistant and is RoundUp® ready.

- High performance hydraulic motor driven centrifugal pump
- FMC-150-HYD-206
- GPM: 120
- Suction: 1½" Discharge: 1¼"
- Max shut-off pressure: 120 PSI
- Chemical resistant Valox® with cast iron insert impellers

5 STAR REVIEW ★★★★★

TJ EV24 Foam Marker

#38438 $699.99

This foam marker has a 6.4 gallon holding tank and will perform for about 2 to 4 hours. Time and acreage depend on flow rate and the concentration of the foam used during operation. This foam marker system is perfect for small to medium size sprayer systems and will work great for 30 to 40 acre crops.

- Easy and fast to assemble
- Right/left control switch
- 2 vertical foam nozzles
- Flow regulator
- 8' power supply cable
- 6.4 gallon tank
- 82' air-liquid tubing
- 12 VDC compressor with 16 1/2' of cable

EXCELLENT VISUAL TRACKER FOR SMALL TO MEDIUM SIZE SPRAYER SYSTEMS!

EUROCARDAN
ENERGY ON THE MOVE

Eurocardan PTO Shafts

Agri Supply® stocks a wide selection of Eurocardan PTO shafts, clutches, tubes, yokes and any other accessories needed for your power take off needs. The power take off is used to transmit power from a tractor or other source of power to an implement. The two speeds most commonly used with tractor PTO shafts is 540 and 1000 rpm and the PTO shafts can come in different sizes and lengths.

Series 2, 39.9" - 55.5" PTO Shaft	1⅜"-6 SPL x 1⅜"-6 SPL	#33539	$184.99

Agmate™ Finish Mowers

Perfect for landscapers, homeowners and golf course groomers alike. Keep a manicured lawn by using this 3-point finish mower with a rear discharge. This position works to eliminate grass buildup in uncut areas and reduces blade wear. The 3-point hitch is made to fit a category 1 hitch tractor. The finishing mower deck can be adjusted to create different cutting heights.

- Cutting Height: 1.38" - 4.53"
- PTO Driveline: Series 4

Ships via motor freight only

5 STAR REVIEW ★★★★★

"Terrific mower for a small tractor."

King Kutter™ Finish Mowers

Standard with all King Kutter mowers, this lawnmower includes a PTO shaft, 40 HP gearbox, and a self-tightening belt. The free floating component of this mower allows for the blades to follow the contours of the mowing surface, providing an even cut. The open rear deck with belt guards discharges grass smoothly to give a pleasant, manicured look to your freshly cut lawn.

- Cutting Height: 2" - 6"

Parmak® Solar Powered 6 Volt Electric Fence Charger

WOW PRICE

#24888 **$219.99**

This solar electric fence charger is low impedance. The solar panel uses the sun's power to charge the 6 Volt battery that is included. This fence charger can cover up to 25 miles of fence with a pulse of 1.4 joules.

High-Desert® 42-Gun Fireproof Gun Safe

NEW!
In Stores Only

#126713* **$599.99**

- 55.7" High x 29" Wide x 20" Deep • Weight: 331 lbs.
- 14-gauge steel body • Electronic lock
- Fireproof for up to 45 minutes at 1,200 degrees Fahrenheit
- Door organizer with pistol pouches
- The shelves can be positioned by moving shelf clips to the desired location and setting the shelf in place.
- Do not store electronic media, computer disks, audio-visual media or photographic negatives in this safe. This type of material will not survive the heat-rated internal temperature from a fire and may be destroyed.
- 9 Volt alkaline battery and hardware to mount to a wood floor included.
- Factory pre-set combination, but can be easily changed by the user.
- The safe must be mounted to the floor. For optimal safety and security, the safe should be installed adjacent to the side wall with minimal space on either side of the safe in an isolated, dry and secure area. A corner would be good placement if possible.

PASTURE MANAGEMENT

EVERYTHING FOR A LONG-LASTING FENCE

WIRE · POSTS · GATES · ACCESSORIES

HIGH TENSILE FIELD FENCE 39" X 330' 12.5GA CLASS 3
HIGH TENSILE FIELD FENCE 47" X 330' 12.5GA CLASS 3

This high tensile cattle fencing stays tighter than low carbon field fence and allows posts to be spaced up to 15 feet apart - saving time and money. It is constructed of 12.5 gauge high tensile wire that's sturdy enough to corral cattle and other large livestock. Each roll is 330 feet long and stands 39 or 47 in. tall, depending on the size needed. This galvanized coated wire is corrosion-resistant to withstand the harshest weather conditions.

Specifications: 6-inch vertical spacing, 10 strands on 47" wire, 9 strands on 39" wire. Longer-lalsting Class 3 galvanized coating, meets ASTM-116 standards, wire tension curve.

39" Tall Fence	47" Tall Fence
#11243A	**#124424**
$249.99	**$319.99**

2 X 4 HORSE FENCE 48" X 200' 12.5GA CLASS 3

2 in. x 4 in. rectangles in the fence keeps horse's hooves inside the fence and provides effective predator control. Features the "S-Knot" with a smoothed side that cannot harm your horses. All vertical wires are a solid, single wire from top-to-bottom. This fence is good for horses, gardens, pastures, yards, dogs, and birds/poultry. This galvanized coated wire is corrosion-resistant to withstand the harshest weather conditions.

Specifications: 2" x 4" spacing, 13 line wires. Longer-lasting Class 3 galvanized coating, meets ASTM-641 standards, wire tension curve.

No Hunting Purple Paint, 1 Gallon
#80026 $38.99

This 1 gallon can of No Hunting Purple paint is used to mark your property and fence line boundaries. In many states, the presence of vertical lines of purple paint will indicate that you as a private land owner do not want hunting, fishing, trapping or trespassing on your property without written permission. In many states, the use of purple paint to mark your private property for no trespassing and hunting will replace signs and posting if done in accordance to proper regulations. Check with your applicable state regulatory agencies on how to post your property.

No Hunt Purple Paint, 12 Ounce Aerosol
#80025 $9.99

Purple No Hunting paint may be able to serve as property posting in many states. This purple paint, by Majik, comes in a convenient 12 ounce spray can. Use this paint to easily touch up previous property postings or smaller property lines. Check your regulatory agency to see if this purple paint can be used to mark your property for no hunting, fishing, trapping or trespassing.

Delta Drag Harrow

#116491 $38.99

PIG® Mat instantly sucks in oils, coolants, solvents, and water. Spill something on the floor, and PIG® Mat will suck it up fast. Just put it down and let it work. With PIG® Mat on your benchtop, your parts and tools stay clean and organized — and the mess stays in the Mat. There's no lint or grit to deal with, and cleanup is quick and easy.

- 50 ft roll
- Perforated for easy tearing to the size needed
- Absorbs up to 3 gallons

PIG® Universal Spill Kit

#116494 $66.99

- Contains two socks, 20 mat pads, two disposal bags, and ties
- Absorbs up to 5-gallons
- Safely soaks up and retain oils, coolants, water, grease, gasoline, solvents, auto fluids, paint ove spray, battery acid, and other liquids

Arched Aluminum Ramp, 90 in., 1000lbs. Capacity Total (500lbs. Each) #87970 $189.99

Use this arched aluminum ramp system to load equipment onto your trailer or truck. The arch in the design makes loading tractors with mowing decks easier. Safety straps are included for a secure attachment holding the ramp in place. A plastic coating provides an anti-skid finish on the ends and also protects your tailgate or trailer. This aluminum ramp is rated for 1000 lbs. for the pair.

- Set of 2
- Portable
- Length: 90 in.
- Width: 12 in. each
- Capacity: 1000 lbs. for the pair (500 lbs. each)
- Arched design for easier loading
- Safety straps
- Plastic coated ends

- Handle length: 59 1/16"
- Insect prevention paint on handles
- Wheel size: 16" (has 2 front wheels)
- Undercarriage: black steel (powder coated)

*Ships via motor freight

CUSTOMER REVIEW
SUNNY FROM VA:
"Worth every penny! Plastic so it's lightweight, big enough for just about anything, dual wheels so it's much easier to control and doesn't tip over. The Never flat tires are priceless!"

- AMF / Noma 7½" x 7"
- Gilson 7½" x 7"
- MTD Spring Mount
- Murray Spring Mount
- Snapper Spring Mount

Tractor Lift for Zero Turn Mower

#78495* $304.99

When you are ready to replace mower blades, fix a snapped belt, or give your zero turn mower a general tune up, stay at home and use a tractor lift to hold up the mower during cleaning and maintenance. Handling a deck that's up to 60 inches, it can be folded for storage and includes telescoping lift bars and a stability bar.

- Telescoping lift bars
- Stability bar
- Lifts commercial mowers with up to 60 in. deck widths
- Extends 15 in.
- 10 in. 2- ply pneumatic tires

** Additional UPS fee applies*

FOLDS UP & STORES AWAY EASILY!
